Act 32, Earned Income Tax Implementation & Best Practices

This webinar has been developed for all individuals serving on the recently formed Earned Income Tax Collection Committees (TCC); including designated representatives, elected officers and appointed delegates. The “Act 32, EIT Best Practices Report” as released by DCED will be reviewed to assist TCCs with the transition to the countywide EIT collection system.

The Webinar, which consists of an Internet downlink, will allow attendees an opportunity to interact with panelists. Remote locations, as well as the live audience in Dauphin County, will be able to ask questions during the program. All questions not directly addressed during the 90-minute program will be answered at a later date and posted on the Internet.
