On this screen you will need to fill in the donors “First Name” and “Last Name” fields. Under “Reason,” you will indicate the proper reason why the test is being taken (such as “Random” or “Pre-employment”). If this test is for a CDL employee, check the “DOT/Federal Tests” button; if the test is for a non-CDL employee, check the “non-DOT Tests” button. Next you will need to select the “Type of Test” to identify the test(s) the employee needs to take, whether it is a drug test or an alcohol test:

Distance Miles

No clinics found. Please try a different search criteria.

Show Default Clinics Back

Here you will enter your ZIP code in the “Postal Code” box, enter “60” in the “Distance” box, then hit the “Search” button, which will bring up a list of all testing sites within 60 miles of your ZIP code. You can choose to go to any of the sites listed. Any “out-of-network” site will have a “red” button as shown below.

We suggest at least calling the preferred site to ask about scheduling an appointment for testing your employee(s).
