

# 2019 Road and Bridge

## Annual awards program goes on the road

The annual Road and Bridge Safety Improvement Awards, sponsored by PSATS, the Pa. Highway Information Association (PHIA), and PennDOT, are normally presented at the PSATS Annual Educational Conference during the Excellence Awards ceremony. However, due to the cancellation of this year's conference, the Association traveled to the winning townships to present the awards. To view videos of the award presentations, go to [www.psats.org](http://www.psats.org), choose the "Programs & Services" tab, and click on "PSATS Award Programs."
