Cyber Security Awareness Training - Virtual - 8/31/20

The human element makes a significant difference in the success of a cyber security program. There is no single technology or user behavior that will completely protect you or the organization from cyber incidents. Keeping you and the organization safe requires developing layers of both technical and human defenses.

This training focuses on the human element of protecting information. It will help users recognize and reduce the risk of a cyber security breach. Qualifies for 1 PMGA Administration Point. [Click here](#) to register.

[What Is A Municipal Claim And Why Does This Matter? - Virtual - 8/31/20](#)

The Municipal Claims and Tax Liens Act (MCTLA) provides many benefits and protections for townships. This session will focus on those protections while providing township officials with the tools to identify claims that can be collected under the law. Qualifies for 1 PMGA Administration Point. [Click here](#) to register.
