Participating fire departments in Upper Mt. Bethel Township, Northampton County, held a Memorial Day drive-by parade during the pandemic last May and hung a 75-foot flag between two ladder trucks for folks to drive under. Residents made homemade signs to thank first responders.

Members of the Community Response Team in Cranberry Township, Butler County, work to beautify the township’s Veterans Memorial prior to Memorial Day. The team of residents and township officials worked together to help make a positive impact during the COVID-19 pandemic.

Bill Berry, son of Secretary-Treasurer Bernadette Menendez of Glenburn Township in Lackawanna County, played taps on Memorial Day last year to honor those who have served and died for this great nation. Bill is an accomplished trumpet player, Bernadette says.
