Above and right: Jackson Township, York County, public works staff, Spring Grove Regional Parks and Recreation, Nashville Fire Department, and Northern York County Regional Police hosted an “Easter Bunny Tour” last April during COVID-19. The Easter Bunny passed out candy with his helpers provided the kids remained in their front yards and socially distanced. Township Manager Florence Ford says it was a huge success and everyone who participated had fun.

South Heidelberg Township in Berks County hosted a number of events for residents during the pandemic, including an Easter Parade, food drive, and Light the Night events. Public Works Director Bill Lanza dressed up as the Easter Bunny, and Supervisor Chairman Tom Byrne was the lion mascot.
