The basis for the issuance of this permit is the information supplied in the Application for Sewage Disposal System and other pertinent data concerning soil absorption tests, topography, lot size, and sub-soil groundwater table elevations. The permit only indicates that the issuing authority is satisfied that the installation of the sewage disposal system is in accordance with the rules, regulations and standards adopted by the Pennsylvania Department of Environmental Protection under the provisions of the Pennsylvania Sewage Facilities Act, the Act of January 24, 1966 (P.L. 1535), as amended. The issuance of a permit shall not preclude the enforcement of health laws, ordinances or regulations in the case of malfunctioning of the system.
