State Treasurer Stacey Garrity Offers Guidance on Requests for LF Refunds - Deadline is Tomorrow!

The Board of Finance and Revenue is responsible for processing requests for liquid fuels tax reimbursements. To receive a refund, a township must first contact the Board so that an account can be set up and a preprinted form can be furnished to the township. The forms are prepopulated with numbers used to track the account through the Board's system. To request a preprinted form for your township, please call 717-787-6534 or email edschreiner@patreasury.gov.

This means that the Board will not accept forms that attempt to reuse another municipality's form, including by crossing out the preprinted numbers. The deadline for submissions is tomorrow, March 31. If you submitted an incorrect form, please reach out to the Board today and resubmit.

More Filing Deadlines...

Yesterday's reporting deadline article did not include the Municipal Act 205 Actuarial Valuation Reports for municipalities with pension plans, which are due to the auditor general by March 31. [Click here](#) to learn more.

Today in History

On March 30, 1867, U.S. Secretary of State William H. Seward signed a treaty with Russia for the purchase of Alaska for \$7 million. Despite the bargain price of roughly two cents an acre, the Alaskan purchase was ridiculed in Congress and in the press as President Andrew Johnson's "polar bear garden." Despite a slow start in U.S. settlement, the discovery of gold in 1898 brought a rapid influx of people to the territory, and Alaska, rich in natural resources, has contributed to American prosperity ever since.
