Reminder: PENNVEST Outreach Events on Funding Opportunities

The Pennsylvania Infrastructure Investment Authority (PENNVEST) has scheduled outreach events at locations across the state. These sessions cover the various clean water programs implemented through funding provided by the State Revolving Fund. Programs include drinking water, wastewater, stormwater, non-point source, as well as emerging contaminants such as PFAS/PFOA and lead line removal. Over the next five years, PENNVEST will be receiving additional funding from the Infrastructure Investment and Jobs Act to support these important programs. [Click here](#) to see the list of the remaining events. Due to high demand, additional sessions may be scheduled. [Click here](#) to register for an event. Questions?
